**SUBJECT:** Annual Fee for Enforcement of Special Exceptions

#### Background

1. Section 59-A-1.10 of the County code states: "the Director may establish fees, if approved by Council resolution, to cover the cost of administration of this chapter.
2. As part of the FY02 budget, the County Council approved the addition of a Zoning Investigator and a Permit Technician within the Department of Permitting Services to staff the special exception inspection program.
3. On September 11, 2001, the County Council approved Resolution 14-1001 establishing a fee for enforcement of special exceptions.
4. The Department of Permitting Services has evaluated the fees charged for special exceptions in relation to the costs of enforcing the Special Exception Article of the county zoning law. Current fees need to be increased to cover costs associated with the enforcement of the Special Exception regulations under the County zoning law.
